RECEIVED IN CHAMBERS

I suggest a limited voting 2nd ballot for HARRIS Co's
Com'ns with candidates paying a filing deposit to get on
the limited voting ballot. This would mean a phonebook
style ballot. for RODRIGUEZ v HARRIS CO 4:11 cv 2907-VDG

I am the interested party pro se in USA v TEXAS 2:13cv193/263
suggesting such a limited voting 2nd ballot for the Texas
State House with candidates paying to get on 2-4 districts
beyond their own.

I believe this structure will loosen winners ties to liars,
inhibit tyranny and promote turnover of bad legislators.

I suggest two year terms so the voters can vote out
troublemakers when they appear.

20+ docket entries in USA v TEXAS are letters from me.
Trial is set for Sep 2 in Corpus Christi.
